WHEREAS, Broker is engaged in the performance of freight brokerage services pursuant to authority granted by the Interstate Commerce Commission ("ICC") in license number MC-140665;

WHEREAS, Carrier is engaged in providing transportation of property as a contract carrier pursuant to motor carrier authority MC- _____, a copy of which is attached hereto as Appendix A;

WHEREAS, Broker desires to arrange for Carrier to provide transportation services on behalf of Broker's customers; and

WHEREAS, Carrier is ready, willing and able to provide such services;

NOW, THEREFORE, in consideration of the mutual covenants contained herein and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereby agreed as follows:

TERMS AND CONDITIONS

1. **SERVICES TO BE PERFORMED.** Broker agrees to arrange for shipment of freight on behalf of its customers and Carrier agrees to transport such freight by motor vehicle from and to such points between which service may be required, subject to available equipment.

2. **MINIMUM TENDER.** Broker agrees to offer a minimum of three (3) shipments per year and Carrier agrees to transport by motor vehicle from and to such points which service may be required, such quantities of authorized commodities as Broker may require, subject to Carrier's availability of suitable equipment.

3. **RATES AND PAYMENT.**

3.1 Rates. Broker will transmit to Carrier, via facsimile, a load confirmation via Qualcomm message and/or faxed confirmation sheet for each individual load that Carrier transports for Broker. The Confirmation Sheet will show the agreed amount for all charges associated with the relevant trip. Payment shall then be made to Carrier in accordance with "Schedule 1" of this agreement.

3.2 Payment. All bills from Carrier shall include an original signed Bill of Lading and all signed receipts incurred as agreed to per contract. Broker shall pay Carrier the agreed upon invoice amount within nine (9) business days after Broker has received the signed original Bill of Lading and signed receipts. Payment to Carrier shall be contingent upon submission of a Bill of Lading to which no exceptions have been taken. Broker may advance payment to carrier at its discretion.

3.3 Designation of Payee. Carrier agrees that all payments due to Carrier hereunder shall be made payable to:

Name

Address

City, State, Zip

Any change in such designation must be in writing.

4. LOSS, DAMAGE, OR DELAY.

Carrier shall be liable to Broker's Customer and, if applicable to Broker as the agent or assignee of a claim of Broker's customer, for loss, damage, or delay of a shipment transported by Carrier under the terms of this Agreement. Carrier's liability shall begin at the time the shipment is loaded on Carrier's equipment at origin, and continue until shipment is delivered to the designated consignee at destination. Carrier's liability shall be for the full invoice value of the shipment, in addition to any other losses or charges the Customer may suffer.

5. TERM/TERMINATION.

5.1 Term. The initial term of this Agreement shall be one (1) year commencing on the date of execution. This Agreement shall automatically renew thereafter for successive terms of one (1) year unless either party shall give the other party notice of termination as provided herein.

5.2 Termination. Either party may terminate this Agreement by providing at least thirty (30) days' advance written notice of intent to not renew prior to the expiration of the initial term of this Agreement or a successive term. This Agreement may also be terminated according to the following: (i) either party may terminate this Agreement, with or without cause, upon at least thirty (30) days' advance notice; or (ii) in the event of a material breach of this Agreement, the non-defaulting party may terminate this Agreement immediately upon written notice to the breaching party. Notwithstanding the termination of this Agreement, each party's representations, warranties, covenants and agreements shall survive such termination with respect to all

performance of this Agreement prior to the effective date of termination. Shipping requirements of Broker's customers are an essential part of Broker's business, and failure to adhere to such requirements may be deemed to be a material breach of this Agreement. Written notice pursuant to this clause may be satisfied by Qualcomm message.

5.3 **Return of Property.** In the event this Agreement is terminated by either party or upon the expiration of this Agreement, Carrier shall, within forty-eight (48) hours, return any of Broker's property to Broker at a location specifically designated by Broker. If Carrier shall fail to return Broker's property as provided herein, Carrier shall be responsible for all expenses incurred by Broker in securing the proper return of said property including reasonable attorneys' fees and disbursements. Such expenses may be charged back against any amounts owed Carrier by Broker.

6. **QUALCOMM.** Carrier's equipment must contain a Qualcomm unit, which will work in conjunction with Broker's Qualcomm system. If Carrier rents or purchases Qualcomm units from Broker, Carrier shall pay to Broker the amounts specified in Schedule 2 hereto as rental or purchase payments together with all monthly usage fees, including excess message charges paid by Broker on Carrier's behalf. Carrier is responsible for the timely return of any rented Qualcomm device upon the termination of this Agreement. If Carrier rents a Qualcomm unit from Broker, and if the unit is damaged or lost, Carrier agrees to reimburse Broker the entire cost incurred by Broker in repairing or replacing the unit. If the unit is not returned upon termination, Carrier agrees to reimburse Broker its costs incurred in replacing the unit and hereby authorizes Broker to deduct such costs from any amounts due Carrier hereunder. If funds are not available to do so, Carrier agrees to pay Broker its costs of collection including reasonable attorneys' fees.

7. **TRAILERS.** Carrier may elect to use Broker's trailers for the movement of freight under this agreement. If such an election is made, both parties acknowledge that the "Trailer license and Interchange Agreement" is hereby incorporated into this Brokerage Agreement by reference and its terms and conditions shall become an integral part of this Brokerage Agreement.

8. **FUEL CARD/EXPRESS CODES/TRIP EXPRESS CHARGE.** Carrier agrees that, in the event Carrier utilizes Broker's fuel card system and express code transaction system, Carrier will pay to Broker and hereby authorizes Broker to deduct from payment due Carrier hereunder an amount as set forth in Schedule 2.

9. **EXPENSES.** Carrier shall pay all operating and maintenance expenses in connection with the performance of its obligations hereunder, including but not limited to licenses, permits and authorizations required to perform its obligations hereunder and all fuel, fuel taxes, Federal Highway Use Taxes, tolls, ferries, detention, accessorial services, and tractor repairs.

10. **ADDITIONAL DEDUCTIONS.** From time to time, Carrier may purchase fuel, products or services, including repairs, which are charged to Broker subject to Broker's approval.. When Carrier does so, Carrier hereby authorizes Broker to deduct from Carrier's payment due hereunder amounts equal to such charges. Carrier is never required to charge any amounts to Broker's account nor to make purchases from any vendor recommended by Broker. Further, if Carrier leases Carrier's tractor, Carrier may be required by Carrier's lessor to indemnify Carrier's lessor for claims arising out of Carrier's acts and omissions as well as those of Carrier's agents and employees, and to pay for loss or damage to Carrier's tractor. When Carrier's lease requires any such payments, Carrier hereby authorize Broker to deduct from Carrier's payment due hereunder amounts equal to such charges on behalf of the Lessor.

11. **RATIFICATION OF DEDUCTIONS.** In paragraphs 3, 4, 5.3, 6, 7, 8 and 10 of this Agreement, Broker may make certain advances to Carrier or on Carrier's behalf. Carrier agrees to allow Broker to make deductions from Carrier's payment due hereunder as reimbursement for those advances. Because those advances are not capable of determination at the time of the execution of this Agreement, they shall be disclosed to Carrier from time. To the extent Broker is required to disclose deductions to Carrier, that requirement regarding any such deductions shall be deemed fulfilled through Broker providing Carrier with a statement of such deductions. However, upon request, Broker will provide Carrier copies of those documents, which are necessary to determine the validity of the charge. Computation of each item shall be on the basis of the actual amount of each advance, charge or expense. If Carrier has not objected to any such deduction in writing within ninety (90) days of the date of the statement, the deductions shall be deemed ratified by Carrier.

12. **SERVICES, PRODUCTS AND EQUIPMENT.** Carrier shall not be required to purchase or rent any products, equipment or services from Broker as a condition of entering into this Agreement.

13. **SET-OFF.** Carrier hereby grants to Broker the right of immediate set off against Carrier's payment due hereunder of all amounts due from Carrier to Broker under the terms of this Agreement. Carrier further herein agrees that costs arising from late deliveries, claims or service failures may be offset from payment of loads with notification of such offset being made to Carrier.

14. **DRIVERS.** Carrier shall employ, on its own behalf, drivers for the Equipment. Carrier shall be solely responsible for payment of its employees wages, benefits, Social Security taxes, withholding taxes, unemployment insurance fees, workers' compensation insurance, and all amounts required by government laws, rules and regulations to be paid by employers on behalf of or to employees. All drivers employed by Carrier to operate the Equipment shall be qualified so as to meet all applicable requirements of all federal, state and local laws, rules and regulations including those of the Department of Transportation. Carrier shall likewise employ on its own behalf and at its own expense all driver's helpers and other laborers required to carry out the purpose of this Agreement.

15. **INSURANCE.** Carrier shall procure and maintain, at the sole cost and expense of Carrier, liability insurance with a reputable and financially responsible insurance carrier or carriers properly insuring Carrier against liability and claims (a) for injuries to persons (including injuries resulting in death), environmental restoration and property damage in a combined single limit of not less than two

possession or control of Carrier in an amount not less than Two Hundred Fifty Thousand Dollars (\$250,000) per occurrence; and (c) any additional insurance as may be required by applicable laws, ordinances or governmental orders, rules and regulations, and shall furnish to Broker written certificates obtained from each insurance carrier showing that such insurance has been procured and is being properly maintained, and that the premiums therefore are paid, and specifying the name of the insurance carrier, the policy number or numbers, and the expiration date or dates. In the event of cancellation or material modification of any policy, written notice of such cancellation or modification shall be given to Broker at least thirty (30) days prior to such cancellation or modification as to each policy. Carrier agrees to name New Prime, Inc., as an additional insured on each of the aforementioned policies.

CARRIER AGREES TO DEFEND, INDEMNIFY AND HOLD HARMLESS BROKER, ITS AFFILIATED ENTITIES, THEIR OFFICERS, DIRECTORS, SHAREHOLDERS, MEMBERS, PARTNERS, AGENTS, REPRESENTATIVES, AND EMPLOYEES AND THEIR RESPECTIVE HEIRS, SUCCESSORS AND ASSIGNS FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, OBLIGATIONS, CAUSES OF ACTION AND LAWSUITS AND ALL DAMAGES, LIABILITIES, FINES, JUDGMENTS, PENALTIES, COSTS (INCLUDING THE PAYMENT OF ATTORNEYS' FEES AND DISBURSEMENTS), (SPECIFICALLY INCLUDING BROKER'S, ATTORNEYS' FEES AND DISBURSEMENTS REASONABLY NECESSARY TO SUCCESSFULLY ENFORCE THIS INDEMNIFICATION PROVISION AGAINST BROKER), ARISING OUT OF: (I) THE ACTS OR OMISSIONS OF CARRIER AND ITS AGENTS, REPRESENTATIVES, EMPLOYEES, OFFICERS, DIRECTORS, CONTRACTORS AND/OR SUBCONTRACTORS; AND/OR (II) THE FAILURE OF CARRIER TO COMPLY WITH THE TERMS AND CONDITIONS OF THIS AGREEMENT. THE OBLIGATIONS TO INDEMNIFY AND HOLD HARMLESS CONTAINED HEREIN SHALL CONTINUE IN FULL FORCE AND EFFECT NOTWITHSTANDING THE TERMINATION OF THIS AGREEMENT, WHETHER BY EXPIRATION OF TIME, BY OPERATION OF LAW, OR OTHERWISE. THE MINIMUM LIMITS OF INSURANCE PROVIDED FOR UNDER SECTION 15 OF THIS AGREEMENT DO NOT OPERATE AS A LIMITATION UPON CARRIER'S INDEMNIFICATION DUTIES UNDER THIS SECTION 15.

17. RESPONSIBILITY FOR COMPLIANCE WITH FEDERAL AND STATE LAW. Carrier shall comply with all laws, orders, rules, regulations, ordinances and other public requirements, including, but not limited to, local, state and federal transportation statutes, rules and regulations, applicable to its work and shall defend, indemnify, and hold harmless Broker, its affiliated entities, their officers, directors, shareholders, members, partners, agents, representatives, and employees and their respective heirs, successors and assigns from and against any and all claims, demands, obligations, causes of action and lawsuits and all liabilities, fines, judgments, penalties, costs, expenses (including the payment of attorneys' fees and disbursements) and damages resulting from Carrier's failure to so comply.

BROKER/CARRIER AGREEMENT

SCHEDULE I

PAYMENT

Payments made to Carrier by Broker under Section 3 of the Agreement shall be as follows:

PERCENTAGE OF REVENUE. Broker shall pay Carrier seventy-seven percent (77%) of the line haul revenue received by Broker for freight transported by Carrier. The phrase "line haul revenue" means all amounts paid by Broker's customers for transportation of freight exclusive of accessorial charges. Accessorial charges are charges made by Carrier for goods and services in addition to freight transportation, including but not limited to such things as loading and unloading, special permits, pallets, tarp fees and shag fees. Not all accessorial charges will be designated by the customer as separate from the "line haul revenue", but shall be itemized by Broker on the freight bill as a separate charge and for purposes of this paragraph shall not be included in the "line haul revenue". Examples are the following charges that shall be deducted from "line haul revenue" when determining payment to Carrier: (i) all pallets that are not provided or paid for by the customer shall be charged at \$5.00 per pallet per load; (ii) all amounts paid by Carrier or a third party for loading and unloading in excess of that paid by the customer; and (iii) all amounts paid by Carrier or a third party for tarp and shag fees in excess of that paid by the customer. In addition, Broker shall make surcharges to some customers for fuel. When these surcharges are made, they shall be so designated on the applicable freight bill and itemized as a separate charge. For purposes of this paragraph, such fuel charges shall not be included in the "line haul revenue".
